June 27, 2019

The meeting was called to order at 7:30 PM by Vice President Wes Grogan. President Ken Danz was excused. The minutes from the May 31, 2019 meeting were approved as posted.

Treasurer's Report – The balance on 5/31/2019 was \$30,771.20. Expenses since then were \$1,353.73 and income was \$953.16. The balance reported on June 27, 2019 was **\$30,625.93**. A motion was made and accepted to file the Treasurer's report for future audit.

Membership Report – There are currently 427 members in the Club. There are currently 73 people on the wait list and there will not be any members taken into the Club until January.

Club Events ~ Please check the web for Calendar of Events and to find out information about a particular shooting event.

- **Cowboy** – The May match had 18 shooters. The next match is July 6th. Please note that the Cowboys will shoot the 2nd Saturday in August, not the 1st as normal.
- **Geezer Guns** – The June match had 6 shooters.
- **ESPS** – The June match had 69 shooters.
- **Battle Rifle** – 15 shooters came out for the June match. The next match is the 2nd Sunday of July. It will be a 100 yd. match with 3 positions, all classes. Battle Rifle will accommodate a shooter's physical needs or limitations so come on out for a great time!
- **Steel Challenge** – In June there were 24 shooters, 35 guns.

Old Business –

- **Tree work** – there are 3 dead trees and 1 that is hanging over the garage that all need to be cut down. We have one bid and are awaiting a second bid to have this work done. John Merson will have his tree cutter give us a price as soon as possible.
- **Taxes** – The account is working on the taxes and they should be done very soon.
- **Gutter Cleaning** – Ken has an idea for cleaning out the gutters. He will need people to help. Please check back next month for details on who, when and where.
- **Flooring** – This job has been completed. The unused flooring from the first contractor was returned and a store credit was issued for the amount.
- **Website** – The website has been down for the last month. Tim Perry has spent countless hours reconstructing it and it is nearly complete. We are thankful to have Tim and his expertise working on this.

New Business –

- **Election of Officers** - Nominations will be accepted in August in September for Election of Officers in October. ALL positions are to be considered open.

This is a Club, not just a gun range. We have 427 members. All we need are seven people on the Board. If this Club is to continue, you must step up to help! Most members on the Board have served 12+ years and are worn out. They need a break. You don't need experience or any particular skill. You will be helped and coached if that's what you need. But we must have people who care enough about the Club to see it continue. Please consider helping this Club out. Like I said, we have 427 members. We shouldn't have to beg to get seven volunteers!

- **SKS Competition** - Wes has suggested have an SKS Competition open to Club members only. The maximum distance would be 50 yards. The targets will be small, the distance random, and a good time will be had by all. We need 10-15 people to express an interest in order for him to move forward in planning this Competition. He will get it started but would want someone else to take over running it. Please contact Wes if you are interested in such a match.
- **Club Pride** – Wes has suggested having Club t-shirts and hats with our Club name and logo on them. Let's be proud to be a member of this club and show others that pride. They will be for sale to Club members only.
- Sadly, Ken Danz's father passed away last week. The Club sent flowers. If you would like to send a card his address is 207 Hardwood Court, Townsend, DE 19734.
- Queen Anne County 4H has requested a donation to help with sending their shooters to the Junior Olympics again this year. A motion was made to give them \$2,000. It was seconded and approved by all present. A check will be issued to them for that amount.
- Wes bought a can of tomato sauce at the store. He was reading the label and noticed that the tomatoes used in the sauce were from the Schmidt family of Sudlersville! They are the same family that sold us the property for \$1 that is now our gun club. Support local farming through your purchases.
